

## Specification Sheet

Product Name: **2-Chloro-4-(trifluoromethyl)benzaldehyde**  
Specifications & Purity: **97%**  
SKU #: **C195179**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 97-100 (%)            |
| Proton NMR spectrum      | Conforms to structure |
| FNMR spectrum            | Conforms to Structure |
| GC-MS for identification | Conforms              |
