

Specification Sheet

Product Name:	Collagenase NB 4 From Clostridium Histolyticum
Specifications & Purity:	EnzymoPure™, Standard Grade, ≥ 0.10 U/mg
SKU #	C279013

Parameter	Limit Values
Collagenase activity (U/mgPZ activity* acc. to Wünsch, 25 °C)	≥ 0.1
Molecular weight(collagenases)	70000– 120000 (Da)
Composition(Contains class I and class II collagenase1 and a balanced mix of neutral protease, clostripain and trypsin-like activities)	Confirmed
