

## Specification Sheet

Product Name: **CGP 54626 hydrochloride**  
Specifications & Purity: **≥96%(HPLC)**  
SKU #: **C286639**

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 96-100 (%)            |
| Proton NMR spectrum      | Conforms to Structure |
| LC-MS for identification | Conforms              |
