## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>4-Chlorophenethyl Isocyanate</b> |
| Specifications & Purity: | ≥95%                                |
| SKU #                    | <b>C300334</b>                      |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 95-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
