

## Specification Sheet

Product Name: **6-Chloro-2H-benzopyran-3-carbonyl chloride**  
Specifications & Purity: **95%**  
SKU #: **C300721**

| Parameter                       | Limit Values          |
|---------------------------------|-----------------------|
| Purity(HPLC)                    | 95-100 (%)            |
| Melting point                   | 76-80 (°C)            |
| Purity (Argentmetric Titration) | 94.5-105.5 (%)        |
| Proton NMR spectrum             | Conforms to Structure |
