

## Specification Sheet

|                          |                                               |
|--------------------------|-----------------------------------------------|
| Product Name:            | <b>cis-Stilbeneboronic acid pinacol ester</b> |
| Specifications & Purity: | 95%                                           |
| SKU #                    | <b>C333184</b>                                |

| Parameter           | Limit Values              |
|---------------------|---------------------------|
| Appearance(C333184) | white to off white powder |
| Proton NMR spectrum | Conforms to structure     |
| Purity(HPLC)        | 95-100 (%)                |
| Melting point       | 89-94 (°C)                |
