## Specification Sheet

|                          |                                  |
|--------------------------|----------------------------------|
| Product Name:            | <b>Copper(II) tungsten oxide</b> |
| Specifications & Purity: | ≥99%                             |
| SKU #                    | <b>C333613</b>                   |

| Parameter                                       | Limit Values          |
|-------------------------------------------------|-----------------------|
| Total Metallic Impurities                       | 0-10000 (ppm)         |
| Purity(Based on Trace Metals Impurities of ICP) | 99-100 (%)            |
| ICP: Confirms copper and wolfram Component      | Confirmed             |
| X-Ray Diffraction                               | Conforms to Structure |
