

## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>Cyclopentanecarbothioamide</b> |
| Specifications & Purity: | 98%                               |
| SKU #                    | <b>C346603</b>                    |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Proton NMR spectrum | Conforms to structure |
| Mass spectrum       | Confirmed             |
