## Specification Sheet

|                          |                   |
|--------------------------|-------------------|
| Product Name:            | <b>Ceforanide</b> |
| Specifications & Purity: | 98%               |
| SKU #                    | <b>C347466</b>    |

| Parameter                | Limit Values              |
|--------------------------|---------------------------|
| Purity(HPLC)             | 98-100 (%)                |
| Appearance(C347466)      | White to Pale Brown Solid |
| Proton NMR spectrum      | Conforms to structure     |
| LC-MS for identification | Conforms                  |
