

## Specification Sheet

Product Name: **6-Chloronicotinoyl chloride hydrochloride**  
Specifications & Purity: **≥97%**  
SKU #: **C469515**

| Parameter                              | Limit Values          |
|----------------------------------------|-----------------------|
| Purity(HPLC area)                      | 97-100 (%)            |
| Assay(Titration by AgNO <sub>3</sub> ) | 96.5-103.5 (%)        |
| Proton NMR spectrum                    | Conforms to Structure |
| LC-MS for identification               | Conforms              |
