## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>1-chloro-5-nitroisoquinoline</b> |
| Specifications & Purity: | ≥95%                                |
| SKU #                    | <b>C635984</b>                      |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
