Specification Sheet

Product Name:	Coelenterazine hcp
SKU #:	C755376
Version:	1
Source:	
Specifications & Purity:	BioReagent, Ultra pure, $\geq 95\%$
Concentration:	
Formulation:	Solid
Reconstitution:	Volume of Ethanol needed to reconstitute specific mass of Coelenterazine hcp to given concentration.
Storage Conditions:	Store at -20°C , Protected from light

Parameter	Limit Values
Appearance(C755376)	Orange Solid
Purity(HPLC)	95-100(%)
Bioluminescence Assay	Conform
