14078 Meridian Parkway, Riverside, CA. 92518

Specification Sheet

Product Name:	2,6-Difluorobenzeneboronic Acid (contains varying amounts of Anhydride)
Specifications & Purity:	98%
SKU #	D100721

Parameter	Limit Values
Purity(Neutralization titration)	97.5-102.5 (%)
Purity(HPLC)	98-100 (%)
Appearance (D100721)	white to light pink crystal or crystal powder
NMR Spectrum 1H	conforms to structure
