Specification Sheet

Product Name: **2,6-Diaminotoluene**
Specifications & Purity: **98%**
SKU #: **D103021**

Parameter	Limit Values
Purity(GC)	98-100 (%)
Melting point	104-107 (°C)
Appearance (D103021)	White to yellow to light grey to dark brown, grey-brown powder, chunks
Solubility in MeOH	almost transparency
Proton NMR spectrum	Conforms to Structure
