## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>2,3-Dimethylphenol</b> |
| Specifications & Purity: | ≥98%                      |
| SKU #                    | <b>D104325</b>            |

| Parameter            | Limit Values                                      |
|----------------------|---------------------------------------------------|
| Purity(GC)           | 98-100 (%)                                        |
| Melting point        | 72-76 (°C)                                        |
| Appearance (D104325) | White to Yellow to Brown Powder,Crystals or Solid |
| Infrared spectrum    | Conforms to Structure                             |
| Solubility in MeOH   | almost transparency                               |
