## Specification Sheet

|                          |                                            |
|--------------------------|--------------------------------------------|
| Product Name:            | Diethylene glycol monoethyl ether (DEGMEE) |
| Specifications & Purity: | ≥99%                                       |
| SKU #                    | D104410                                    |

| Parameter                           | Limit Values          |
|-------------------------------------|-----------------------|
| (As)Arsenic                         | 0-3 (ppm)             |
| Density (20°C)                      | 0.988-0.991           |
| Mercury(Hg)                         | 0-1 (ppm)             |
| Cadmium(Cd)                         | 0-1 (ppm)             |
| Refractive index n <sub>20</sub> /D | 1.425-1.429           |
| Lead(Pb)                            | 0-10 (ppm)            |
| Purity(GC)                          | 99-100 (%)            |
| Appearance (D104410)                | Colorless liquid      |
| Infrared spectrum                   | Conforms to Structure |
