## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>3,5-Dimethylphenol</b> |
| Specifications & Purity: | 99%                       |
| SKU #                    | <b>D106361</b>            |

| Parameter            | Limit Values                                |
|----------------------|---------------------------------------------|
| Purity(GC)           | 99-100 (%)                                  |
| Melting point        | 62-66 (°C)                                  |
| Appearance (D106361) | White to Beige and/or Brown Fibers or Solid |
| Infrared spectrum    | Conforms to Structure                       |
