

Specification Sheet

Product Name: **2,6-Difluorobenzoic acid**
Specifications & Purity: **98%**
SKU #: **D110069**

Parameter	Limit Values
Purity(Neutralization titration)	97.5-102.5 (%)
Melting point	156-161 (°C)
Appearance (D110069)	White to light yellow crystals powder or needles
Proton NMR spectrum	Conforms to structure
