

## Specification Sheet

|                          |                                        |
|--------------------------|----------------------------------------|
| Product Name:            | <b>3,4-Dimethylbenzeneboronic acid</b> |
| Specifications & Purity: | 98%                                    |
| SKU #                    | <b>D120089</b>                         |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC)        | 98-100 (%)            |
| Infrared spectrum   | Conforms to Structure |
| Proton NMR spectrum | Conforms to Structure |
