

## Specification Sheet

|                          |                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------|
| Product Name:            | <b>2,5-Dichloropyridine-3-boronic acid(Contains varying amounts of anhydride)</b> |
| Specifications & Purity: | <b>≥95%</b>                                                                       |
| SKU #                    | <b>D120528</b>                                                                    |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             | 95-100 (%)            |
| Proton NMR spectrum      | Conforms to Structure |
| LC-MS for identification | Conforms              |
