## Specification Sheet

|                          |                                    |
|--------------------------|------------------------------------|
| Product Name:            | <b>2,8-Dibromodibenzothiophene</b> |
| Specifications & Purity: | 96%                                |
| SKU #                    | <b>D121518</b>                     |

| Parameter                 | Limit Values                                 |
|---------------------------|----------------------------------------------|
| Purity(HPLC)              | 96-100 (%)                                   |
| Melting point             | 223-228 (°C)                                 |
| Appearance (D121518)      | White to Off-White Powder or Solid or Chunks |
| Solubility in hot Toluene | almost transparency                          |
| Proton NMR spectrum       | Conforms to structure                        |
