## Specification Sheet

|                          |                           |
|--------------------------|---------------------------|
| Product Name:            | <b>3,5-Difluorophenol</b> |
| Specifications & Purity: | ≥98%                      |
| SKU #                    | <b>D122596</b>            |

| Parameter                    | Limit Values                                    |
|------------------------------|-------------------------------------------------|
| Melting point                | 53-56 (°C)                                      |
| Purity(GC)                   | 98-100 (%)                                      |
| Appearance (D122596)         | White to Light Yellow Powder or Solid or chunks |
| Infrared spectrum            | Conforms to Structure                           |
| Solubility(50mg/ml, Ethanol) | Pass                                            |
