

## Specification Sheet

|                          |                          |
|--------------------------|--------------------------|
| Product Name:            | <b>Dorsomorphin 2HCl</b> |
| Specifications & Purity: | ≥98%                     |
| SKU #                    | <b>D129758</b>           |

| Parameter            | Limit Values                 |
|----------------------|------------------------------|
| Purity(HPLC)         | 98-100 (%)                   |
| Appearance (D129758) | Light yellow to yellow solid |
| NMR spectrum         | Conforms to Structure        |
