## Specification Sheet

|                          |                     |
|--------------------------|---------------------|
| Product Name:            | <b>Dimethachlon</b> |
| Specifications & Purity: | 90%                 |
| SKU #                    | <b>D131656</b>      |

| Parameter            | Limit Values          |
|----------------------|-----------------------|
| Purity(HPLC)         | 90-100                |
| Appearance (D131656) | Pale brown powder     |
| Infrared spectrum    | Conforms to Structure |
| Proton NMR spectrum  | Conforms to Structure |
