## Specification Sheet

|                          |                              |
|--------------------------|------------------------------|
| Product Name:            | <b>2,3-Dimethoxypyridine</b> |
| Specifications & Purity: | 97%                          |
| SKU #                    | <b>D133874</b>               |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 97-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
