

## Specification Sheet

Product Name: **3,3-Dimethylacryloyl chloride**  
Specifications & Purity: **98%**  
SKU #: **D135082**

| Parameter            | Limit Values               |
|----------------------|----------------------------|
| Purity(GC)           | 98-100 (%)                 |
| Appearance (D135082) | Colorless to Yellow Liquid |
| Proton NMR spectrum  | Conforms to Structure      |
