## Specification Sheet

|                          |                                              |
|--------------------------|----------------------------------------------|
| Product Name:            | <b>DBCO Protein Labeling Kit (1mg scale)</b> |
| Specifications & Purity: | BioReagent                                   |
| SKU #                    | <b>D1510876-10reactions</b>                  |

| Parameter              | Limit Values                                      |
|------------------------|---------------------------------------------------|
| Appearance (D1510876A) | White to Yellow to Orange solid or viscous liquid |
| Appearance (D1510876B) | Colorless Liquid                                  |
| Appearance (D1510876C) | Uniform, free-flowing white suspension            |
| Appearance (D1510876D) | Clear, smooth and clean                           |
| Flow Cytometry         | Conform                                           |
