

## Specification Sheet

|                          |                                                    |
|--------------------------|----------------------------------------------------|
| Product Name:            | <b>Dimethyl trans-1,4-Cyclohexanedicarboxylate</b> |
| Specifications & Purity: | 96%                                                |
| SKU #                    | <b>D154216</b>                                     |

| Parameter            | Limit Values                             |
|----------------------|------------------------------------------|
| Purity(HPLC)         | 96-100 (%)                               |
| Melting point        | 67-71 (°C)                               |
| Appearance (D154216) | White Powder, Crystals, Flakes, or chips |
| Proton NMR spectrum  | Conforms to Structure                    |
