## Specification Sheet

|                          |                                                |
|--------------------------|------------------------------------------------|
| Product Name:            | <b>7-(Diethylamino)coumarin-3-carbonitrile</b> |
| Specifications & Purity: | >98.0%(HPLC)                                   |
| SKU #                    | <b>D154328</b>                                 |

| Parameter            | Limit Values                                      |
|----------------------|---------------------------------------------------|
| Purity(HPLC)         | 98-100 (%)                                        |
| Melting point        | 228-232 (°C)                                      |
| Appearance (D154328) | Light yellow to brown powder or crystals or solid |
| Proton NMR spectrum  | Conforms to Structure                             |
