

## Specification Sheet

Product Name: **Dibutyltin Diacetate**  
Specifications & Purity: >95.0%(W)  
SKU # **D155023**

| Parameter            | Limit Values                     |
|----------------------|----------------------------------|
| Purity(as Sn)        | 94.5-100 (%)                     |
| Appearance (D155023) | Colorless to light yellow liquid |
| Proton NMR spectrum  | Conforms to Structure            |
