## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>2,2-Diphenylpropionic Acid</b> |
| Specifications & Purity: | 96%                               |
| SKU #                    | <b>D155026</b>                    |

| Parameter           | Limit Values                                                          |
|---------------------|-----------------------------------------------------------------------|
| NMR Spectrum 1H     | Conforms to structure                                                 |
| Purity(HPLC area)   | 96-100 (%)                                                            |
| Appearance(D155026) | White to Almost white to Light Beige to Light Brown Powder to crystal |
