## Specification Sheet

Product Name: **4,6-Dihydroxy-5-nitropyrimidine**  
Specifications & Purity: >98.0%(T)  
SKU #: **D155133**

| Parameter                        | Limit Values  |
|----------------------------------|---|
| Purity(Neutralization titration) | 97.5-102.5 (%)  |
| Proton NMR spectrum              | Conforms to Structure                                     |
| Appearance(D155133)              | White to Pale yellow to yellow to Amber powder to crystal |
