

## PRODUCT IDENTITY

|                 |                           |                |                                                 |
|-----------------|---------------------------|----------------|-------------------------------------------------|
| PRODUCT NAME    | 2,6-Dichlorofluorobenzene | PRODUCT NUMBER | D155249                                         |
| Grades & Purity | ≥98%(GC)                  | VERSION        | 3                                               |
| CAS NUMBER      | 2268-05-5                 | FORMULA        | C <sub>12</sub> C <sub>6</sub> H <sub>3</sub> F |
| FORMULA WEIGHT  | 164.99g/mol               |                |                                                 |

## ACCEPTANCE CRITERIA

| PARAMETER            | SPECIFICATION / LIMIT                                                 |
|----------------------|-----------------------------------------------------------------------|
| Melting point        | 36-40 (°C)                                                            |
| Purity(GC)           | 98-100 (%)                                                            |
| Appearance (D155249) | White to Off-White to Light Yellow to Light Orange Powder or Crystals |
| Proton NMR spectrum  | Conforms to Structure                                                 |
