

## Specification Sheet

Product Name: **2,3-Dimethyl-1,3-butadiene (stabilized with BHT)**  
Specifications & Purity: **>98.0%(GC)**  
SKU #: **D155426**

| Parameter                          | Limit Values          |
|------------------------------------|-----------------------|
| Purity(GC)                         | 98-100 (%)            |
| Stabilizer(BHT)                    | 100-200 (ppm)         |
| Refractive index n <sub>20/D</sub> | 1.438-1.44            |
| Proton NMR spectrum                | Conforms to Structure |
