## Specification Sheet

|                          |                                                                            |
|--------------------------|----------------------------------------------------------------------------|
| Product Name:            | <b>10,15-Dihydro-5,5,10,10,15,15-hexamethyl-5H-tribenzo[a,f,k]trindene</b> |
| Specifications & Purity: | <b>≥98%</b>                                                                |
| SKU #                    | <b>D155527</b>                                                             |

| Parameter                | Limit Values                            |
|--------------------------|-----------------------------------------|
| Purity(HPLC area)        | 98-100 (%)                              |
| Proton NMR spectrum      | Conforms to Structure                   |
| LC-MS for identification | Conforms                                |
| Appearance(D155527)      | White to Almost white powder to crystal |
