## Specification Sheet

|                          |                                                 |
|--------------------------|-------------------------------------------------|
| Product Name:            | <b>Dithieno[3,2-c:2',3'-e]oxepine-4,6-dione</b> |
| Specifications & Purity: | ≥98%                                            |
| SKU #                    | <b>D155677</b>                                  |

| Parameter                    | Limit Values                               |
|------------------------------|--------------------------------------------|
| NMR Spectrum 1H              | Conforms to structure                      |
| Purity(HPLC area)            | 98-100 (%)                                 |
| Carbon by Elemental Analysis | 48.78-52.84 (%)                            |
| Appearance(D155677)          | White to Yellow to Green powder to crystal |
