## Specification Sheet

|                          |                                     |
|--------------------------|-------------------------------------|
| Product Name:            | <b>1,3-Dibromo-5-t-butylbenzene</b> |
| Specifications & Purity: | 96%                                 |
| SKU #                    | <b>D181045</b>                      |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 96-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
