

## Specification Sheet

|                          |                                       |
|--------------------------|---------------------------------------|
| Product Name:            | <b>4,4-Dimethylcyclohexan-1-amine</b> |
| Specifications & Purity: | <b>≥98%</b>                           |
| SKU #                    | <b>D182662</b>                        |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(GC)          | 98-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
