

## Specification Sheet

Product Name: **2,2-Difluoropentanedioic acid**  
Specifications & Purity: **95%**  
SKU #: **D193098**

| Parameter                 | Limit Values          |
|---------------------------|-----------------------|
| Purity(Titration)         | 94.5-105.5 (%)        |
| Appearance (D193098Form)  | Solid                 |
| Appearance (D193098Color) | White                 |
| Fluorine NMR Spectrum     | Conforms to Structure |
| Proton NMR spectrum       | Conforms to Structure |
