

## Specification Sheet

Product Name: **2-(2-(Difluoromethoxy)phenyl)acetonitrile**  
Specifications & Purity: **96%**  
SKU #: **D193331**

| Parameter             | Limit Values          |
|-----------------------|-----------------------|
| Purity(GC)            | 96-100 (%)            |
| Fluorine NMR Spectrum | Conforms to Structure |
| Proton NMR spectrum   | Conforms to Structure |
