

## Specification Sheet

|                          |                                                        |
|--------------------------|--------------------------------------------------------|
| Product Name:            | <b>2,4-Dichloro-6,7-dihydrothieno[3,2-d]pyrimidine</b> |
| Specifications & Purity: | <b>≥98%</b>                                            |
| SKU #                    | <b>D194887</b>                                         |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC)             |                       |
| LC-MS for identification | Conforms              |
| Proton NMR spectrum      | Conforms to Structure |
