

## Specification Sheet

|                          |                                             |
|--------------------------|---------------------------------------------|
| Product Name:            | <b>1,3-Difluoro-2-methyl-4-nitrobenzene</b> |
| Specifications & Purity: | <b>≥98%</b>                                 |
| SKU #                    | <b>D195091</b>                              |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(GC)               | 98-100 (%)            |
| NMR Spectrum 1H          | Conforms to Structure |
| GC-MS for identification | Conforms              |
