## Specification Sheet

|                          |   |
|--------------------------|---|
| Product Name:            | <b>2,8-Bis(diphenylphosphoryl)dibenzo[b,d]furan</b> |
| Specifications & Purity: | 99%   |
| SKU #                    | <b>D290078</b>                                      |

| Parameter           | Limit Values   |
|---------------------|--|
| 31P NMR spectrum    | Conforms to structure                                |
| NMR Spectrum 1H     | Conforms to Structure                                |
| Purity(HPLC area)   | 99-100 (%)   |
| Appearance(D290078) | White to Off white to Light yellow powder to crystal |
