

## Specification Sheet

|                          |                                   |
|--------------------------|-----------------------------------|
| Product Name:            | <b>Diflucortolone 21-valerate</b> |
| Specifications & Purity: | 98%                               |
| SKU #                    | <b>D304084</b>                    |

| <b>Parameter</b>         | <b>Limit Values</b>   |
|--------------------------|-----------------------|
| NMR Spectrum 1H          | Conforms to Structure |
| LC-MS for identification | Conforms              |
| Purity(HPLC area)        | 98-100 (%)            |
