

## Specification Sheet

|                          |                                          |
|--------------------------|------------------------------------------|
| Product Name:            | <b>1,6-Dioxacyclododecane-7,12-dione</b> |
| Specifications & Purity: | 95%                                      |
| SKU #                    | <b>D333629</b>                           |

| Parameter           | Limit Values             |
|---------------------|--------------------------|
| Appearance(D333629) | white to off white solid |
| Proton NMR spectrum | Conforms to structure    |
| Purity(NMR)         | 95-100 (%)               |
| Infrared spectrum   | Conforms to Structure    |
