

Specification Sheet

Product Name:	2,6-Dimethylpyridinium p-Toluenesulfonate
Specifications & Purity:	≥95%
SKU #	D339208

Parameter	Limit Values
Appearance(D339208)	White to Light yellow powder to crystalline
Purity(Neutralization titration)	94.5-102.5 (%)
Proton NMR spectrum	Conforms to Structure
LC-MS for identification	Conforms
