## Specification Sheet

|                          |                    |
|--------------------------|--------------------|
| Product Name:            | <b>DL-Theanine</b> |
| Specifications & Purity: | ≥98%               |
| SKU #                    | <b>D349984</b>     |

| Parameter                | Limit Values          |
|--------------------------|-----------------------|
| Purity(HPLC area)        | 98-100 (%)            |
| LC-MS for identification | Conforms              |
| NMR Spectrum 1H          | Conforms to structure |
