

## Specification Sheet

|                          |                            |
|--------------------------|----------------------------|
| Product Name:            | <b>Docosatrienoic Acid</b> |
| Specifications & Purity: | ≥98%, 50 mg/mL in ethanol  |
| SKU #                    | <b>D351186</b>             |

| Parameter                | Limit Values  |
|--------------------------|---------------|
| Purity(HPLC area)        | 98-100 (%)    |
| Solvent(Ethanol)         | Conform       |
| Concentration            | 45-55 (mg/ml) |
| LC-MS for identification | Conforms      |
