## Specification Sheet

Product Name: **Dichlorobis(pyridine)palladium(II)**  
Specifications & Purity: **98%**  
SKU #: **D351854**

| Parameter                         | Limit Values          |
|-----------------------------------|-----------------------|
| Assay(Pd)                         | 30.4-32.4 (%)         |
| ICP: Confirms Palladium Component | Confirmed             |
| Proton NMR spectrum               | Conforms to Structure |
| Purity(as N)                      | 98-100 (%)            |
