## Specification Sheet

|                          |                       |
|--------------------------|-----------------------|
| Product Name:            | <b>Dihydroouabain</b> |
| Specifications & Purity: | Moligand™, ≥95%       |
| SKU #                    | <b>D354341</b>        |

| Parameter           | Limit Values          |
|---------------------|-----------------------|
| Purity(HPLC area)   | 95-100 (%)            |
| Proton NMR spectrum | Conforms to Structure |
